OFERTA

Noi va oferim – Dumneavoastra aleteti!

Ne face o deosebita placere sa va oferim la cele mai mici preturi materiale pentru productia publicitara,din care un loc important il ocupa materialele dublu impregnate cu PVC – mate si lucioase, precum si scule si unelte profesionale pentru confectionarea de prelate, copertine, etc... toate provenind din import.

La toate produsele importate si distribuite prin noi raportul calitate – pret este cel mai competitiv iar calitatea acestora este certificata direct de furnizorii producatori.

Daca nu credeti – Consultati concurenta !

DOMENII DE UTILIZARE:copertine,acoperiri terase,prelate auto,bannere,firme luminoase, etc.

MATERIAL MAT (TE62) – ARTICOL 8800/B7059

Tesatura : 9x9 cu 620 gr/mp. / 7x8 cu 630 gr/mp

Utilitati : acoperiri usoare, prasolare,pergole, pereti departitori, prelate camioane,

Prelate agricole, bannere, acoperiri terase, etc...
